“...hugely underpriced relative to the quality...”

96 HENDRY 2019 CABERNET SAUVIGNON RESERVE

From Clone 7 planted in 1974—just the south side of the rows from Block 8D and Block 8F—Hendry's 2019 Cabernet Sauvignon Reserve is hugely underpriced relative to the quality, offering complex notes of cedar cigar box and ripe cherries. Aged in 100% new Taransaud barrels for two years, it's full-bodied, with a seductive texture and expansive mouthfeel and a lush, creamy, mocha-tinged finish that lingers on the palate. Impressively, there's no heat evident despite a stated alcohol level of 15.9%. Drink date: 2025-2040.
