92 HENDRY 2023 CHARDONNAY RESERVE

Made exclusively from Old Wente selection planted in 1974, Hendry's 2021 Chardonnay Reserve is barrel fermented and matured in French oak and without any malolactic fermentation. It's marked by charred, smoky oak and grilled pineapple notes on the nose, while the full-bodied palate is silky textured and bright, with a clean, refreshing finish. It's a bit of a throwback style, with ample concentration and obvious oak balanced by crisp acids. Drink date: 2024-2030.
