92 HENDRY 2022 ZINFANDEL BLOCKS 7 & 22

Both of these blocks are planted to Clone 2, a virus-free clone that came to FPS from Lodi. Block 7 was planted in 1975 and Block 22 in 1995. The 2022 Zinfandel Blocks 7 & 22 features floral, tea-like and even orange-like aromas, plus bold berry fruit. It's medium to full-bodied, silky-textured and open, with only the slightest hint of raisined fruit and a hint of French oak (one-third new barrels for 15 months). Finishing long and velvety, it's a fine Zin for drinking young, at a reasonable price. Drink 2024-2030.
